A DIGITAL REALTY COMPANY

Fact sheet

Chessington Data Centre

FOUNTAIN COURT, COX LANE, CHESSINGTON, KT9 1SJ

Located approximately 17 miles southwest of central London, Chessington is a scale data centre that is easily accessed via direct transport routes from the City and The Docklands.

Being situated on the A3 trunk road from London to Portsmouth and just a short journey from junction 10 on the M25 motorway, Chessington benefits from excellent roads links.

With its rich network availability, Chessington offers extensive connectivity options and business scalability. From large suites to smaller environments, Chessington provides a range of highly secure and flexible data centre solutions.

- Bespoke customer solutions
- High density of network providers
- Direct customer network connectivity or via multiple POP rooms
- Excellent amenities
- Anti-tamper perimeter fencing
- Dedicated car parking
