

Interxion Marketplace

Connect to a growing ecosystem of 2,000+ EMEA Interxion customers and benefit from shared promotional and service opportunities

Marketplace Features

- Promote your services to 2000+ Interxion customers.
- Expand your reach across 11 European countries.
- Benefit from a truly level playing field that works for businesses of all sizes.
- Take advantage of your shared Interxion location to achieve optimum levels of service.
- Connect with new customers within days, just a cross-connect away.
- Zero cost to Interxion customers.

The Interxion Marketplace is a powerful, free resource for EMEA enterprises looking to promote their services, find new customers, or discover new partners and suppliers. Easily search for and connect to more than 2,000 Interxion users in 13 European cities, all from a convenient user-friendly interface.

Browse our catalogue of Interxion customers offering a range of IT services – network, managed services, content, integration, cloud, internet and more – and promote your own. It's an easy, secure and direct way to discover opportunities, make connections and enter new markets.

- Whether you're a multinational enterprise or a small business, you can promote your services and find potential suppliers and partners.
- Access a ready-made marketplace of potential customers in network-hungry sectors like financial services, digital media and cloud.

Find Connections in a Growing Community

About Interxion: A Digital Realty Company

Interxion: A Digital Realty Company, is a leading provider of carrier- and cloud-neutral data centre services across EMEA. With more than 700 connectivity providers in over 100 data centres across 11 European countries, Interxion provides communities of connectivity, cloud and content hubs. As part of Digital Realty, customers now have access to 47 metros across six continents. For more information, please visit www.interxion.com.

Find Your Next Trusted Supplier

The Interxion Marketplace connects Interxion customers via an intuitive online platform – and it's completely free to use. It's a convenient, one-stop shop for businesses that need to find trusted service suppliers.

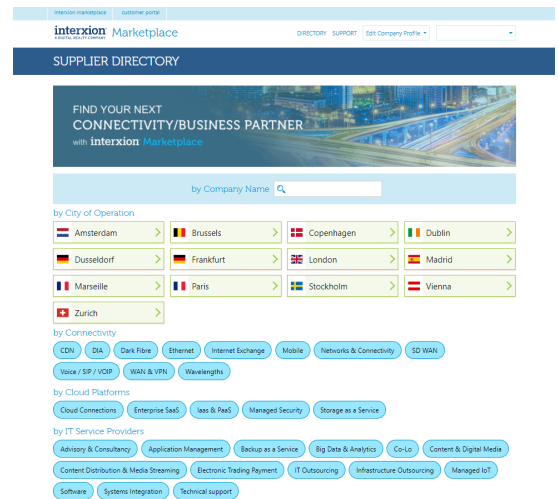

- Quickly find best-in-class suppliers within the same Interxion colocation facility, or in others, from a single interface.
- Interconnect directly with your new suppliers in any Interxion location, achieving the highest possible quality of service.
- Registered users can get in touch with the right person or a potential supplier or partner immediately.
- Easily identify suppliers with the right blend of expertise to deliver agile, scalable and robust services for your hybrid cloud solutions.
- Benefit from increased flexibility and reduced risk of vendor lock-in by selecting the suppliers of your choice.

Qualified Leads, Straight to Your Inbox

- Promote your company's services to a wide audience of over 900 enterprise customers, 750 network providers, 42 Internet exchanges, and 400 IT service providers and clouds.
- Receive requests from interested partners immediately. Enjoy guaranteed business leads delivered directly to your inbox.
- Ensure your services are visible to a targeted group of potential customers classified by service category or location.
- Support your ICT roadmap with a flexible, multi-sourcing strategy with best-in-class partners.
