

## PARIS (PAR12)

### LOCATION

16 Avenue Joseph Froelicher, 77164 Ferrières-en-Brie, France

Colocate your IT infrastructure at the heart of the Paris digital business hub.

**Colocate your IT infrastructure in the Paris east hub, the unique 3rd hub, that complements the existing north and south hubs.**

Ideally located at 30 km east of Paris and in the immediate vicinity of A4 highway, PAR12 is connected to a high-performance low latency network that allows enterprises in the Paris region as well as in the East of France to improve the resilience of their IT infrastructure.

### Facility

- 5,520 sqm of maximum equipped space
- Located in the immediate vicinity of A4 highway
- 400 sqm office and storage spaces
- N+1 redundant design architecture allowing maintenance operations with no service interruption

### Interconnection

- Dual-entry fibre into the building
- Remote access to more than 95 connectivity providers
- Access to IP single homing or multi-homing on demand through carrier partners

### AT A GLANCE

- Connected to Interxion campus Paris's data centres
- 5,520 sqm of maximum equipped
- Access to the major carriers, ISPs and IXPs
- Security staff on site 24x7, 365
- 20 MW grid connection
- Remote access to more than 95 connectivity providers
- Only 30 km from East of Paris
- Advanced fire detection and suppression systems
